RE: *Support for the Chesapeake National Recreation Area
S.2620 & H.R. 5045*

Dear Senator Van Hollen and Representative Sarbanes:

On behalf of Watermark, I am writing to thank you for your leadership to create the Chesapeake National Recreation Area (CNRA), a new unit of the National Park System in the Chesapeake watershed. Watermark has operated tours and cruises on the Chesapeake Bay for over 50 years. We promote the region's history and culture more than any other tour company in the area. The Chesapeake Bay and its tributaries are a special place that need both to be preserved, and explored. We strongly support the establishment of this new national recreation area, and we look forward to working with you to ensure that the Chesapeake is recognized for its natural and historic significance by inclusion in the National Park System.

Those of us who live and work in this region know that the Chesapeake Bay watershed is a natural wonder fully deserving of national park status. We strongly support the goals of the new recreation area to recognize the Chesapeake's national significance, conserve and interpret these resources, expand public access, enhance tourism and local economies, engage watershed communities, promote diversity and equity, improve water quality, and advance the conservation goals of the Chesapeake Bay Program and the Chesapeake Bay Gateways Network.

Establishing the CNRA will allow all stories of the watershed, its citizens, and its history to be shared with visitors from across the world. The creation of the CNRA will enhance public understanding of the Bay at participating National Park Service sites and partner sites to tell the story of the outstanding, remarkable, and nationally significant resources of the Bay watershed.

We endorse the acquisition of land and land-based resources via willing donation, purchase from a willing seller, and/or exchange or transfer from another Federal Agency. And we support the

requirements that nothing in the Act would impact or affect commercial vessels or recreational fishing or enlarge or diminish jurisdiction of each State, with respect to fish and wildlife management.

Thank you once again for introducing the Chesapeake National Recreation Area Act, S.2620 and H.R. 5045. We look forward to working with you to ensure final passage in the Congress to establish this new national recreation area in the Chesapeake.

Sincerely,

A handwritten signature in black ink that reads "James R. Lewis III". The signature is written in a cursive style with a horizontal line under the "III".
